

emco AVIATOR With ribbed carpet insert

Model AVIATOR 17

1 2 3 Indoor and outdoor (covered, Zone 1+2)

The particularly wide and heavy-duty profile gives it excellent dirt removal properties and makes the system the perfect solution for heavily frequented areas.

Description

The mats can be easily cut to size on site using a jigsaw and adjusted to fit the area in which they are being installed. Thanks to a practical connection method, it is easy to join together the individual modules and press them into place where they'll stay permanently attached.

Indoor and outdoor (covered, Zone 1+2)

Street dust, hair, sand, ash, textile fibres, small leaves and twigs, etc.

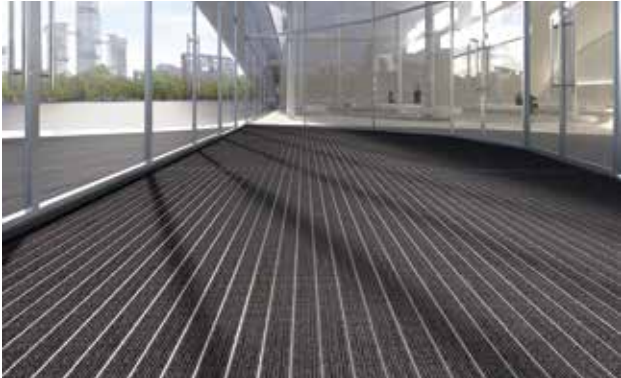

Colours

Light grey no. 220

Anthracite no. 200
