

## Model QUADRO 22

Premium-quality, eye-catching stainless-steel profile with laser-cut text and logos for emco entrance mat systems. Freely selectable positioning and fonts.

### Description

Upgrade your entrance with lettering in a stainless steel profile in your entrance mat system. The text is not simply printed onto the mat; rather, it is laser-cut into a high-quality stainless steel profile, which is permanently integrated in the entrance mat system. Embossing on sections of the profile is larger e.g. to depict a logo.

Inside and outside (covered, Zone 2)

<b>Description</b>	Upgrade your entrance with lettering in a stainless steel profile in your entrance mat system. The text is not simply printed onto the mat; rather, it is laser-cut into a high-quality stainless steel profile, which is permanently integrated in the entrance mat system. Embossing on sections of the profile is larger e.g. to depict a logo.
<b>Technical details</b>	Material: chrome-nickel steel (V2A). Suitable for emco Diplomat 517/522 and emco Senator 522 W. Profile width 50 mm. With partial overwidth to add visual accents. Different fonts and several widths available. An additional 1 mm thin sheet is inserted beneath the stainless steel profile and riveted to this in areas that cannot be seen; this prevents dirt and debris from being pressed down into the letters.
